**Dress Code:** Standard golf attire or current acceptable soccer attire is required. Golf cap, collared shirt, and argyle socks are favored styling. Indoor soccer shoes and turf soccer shoes are recommended. No cleats allowed.

**The Basic Foot Golf Rules:**

- \*Your ball must be easy to identify as yours.
- \*Wait for your turn and make sure your kick will not interfere with other players – either FootGolf or regular golf.
- \*Kick off your ball from up to 6 feet behind the tee markers.
- \*The ball must be played in a single movement. You are not allowed to push the ball with the top or bottom of your foot. Your foot should be set separate from the ball, clearly behind, before each kick.
- \*Wait to play until the ball has completely come to rest. It is not legal to stop the ball from rolling with the wind.
- \*Play the ball from where it lies. You are not allowed to move the ball or remove jammed objects. Exception: You may mark the spot and lift the ball when it may obstruct the other player's kick or ball in any way.
- \*Player farthest from the hole is the first to kick the ball.
- \*The order of play is established based on the score of the previous hole. The player with the best score will kick off first on the next hole followed by the second, etc.
- \*Out of bounds markers are annotated with white stakes on Golf #7/Foot Golf #13 and #14. Place the ball within 2 steps from where the ball crossed between the white stakes receiving a one stroke penalty.

**Arnold Golf Course Local FootGolf Rules:**

- Do not walk anywhere on Golf Greens with Soccer Shoes.
- The Pace of Play Standard for Golfers and Foot Golfers is 2 hours. Please make sure to keep up with the group in front of you. Groups falling behind our pace of play standard will be moved forward to recapture their position on the course.
- No personal or outside food or beverage is allowed.
- FootGolfers most times play faster than regular golfers, so please respect everyone's positions on the course and allow faster players through when available.
- If using a cart, please keep it on cart path when available and always at least 30 feet from tee and green areas.

Arnold Golf Course is Arnold Air Force Base's military golf course. However, the course has obtained a waiver and is open for public play. The golf facility consists of a 9 hole course, full driving range, practice chipping and putting greens, and practice bunker. The golf shop, Mulligan's Grill and locker rooms are located in building 2815 off of Wattendorf Highway. The course features tight, tree-lined fairways and very small, elevated greens. There are several sets of tee boxes at each hole allowing golfers to get a different "look" when playing the second 9 holes during an 18 hole round. The course measures 3,193 yards and par is 35 or 36 depending on what set of tee boxes are played. The course is known for lengthy and tight par 3s that incorporate small, sloping greens. Demanding and precise shots will be required to hit fairways and greens but that's what makes it so much fun!

## TEE TIMES

The golfing season begins each year on April 1st and runs through March 31st of the following year. Active duty military may make tee times up to 4 days in advance. All other eligible users may make tee times up to 3 days in advance. Public play may make tee times up to 2 days in advance. Reservations can be made in person or by calling the golf shop.

## GOLF INSTRUCTION

Private lessons, group lessons, jr. clinics, and club-fitting are all available. Call to schedule with our instructor.

## DRESS CODE

The following are not allowed on the course: tank tops or similar type shirts, plain undershirts, "see-thru" shirts, halter tops, bathing suits, and "short" shorts. Metal spikes are not allowed. ## CARE OF THE COURSE

Please rake bunkers, repair ball marks on greens, and replace divots throughout the course. Each player is responsible for keeping the course clean. Please dispose of trash and cigar/cigarette butts in proper receptacles or trash cans.
